Displacement	249.4cc
Bore x Stroke (mm)	79mm x 50.9mm
Compression Ratio	13.9:1
Oil Capacity	1.25l
Carburation	Fuel injection
Fuel Tank Capacity	6.3l
Starter	Electric

### Drive Train

Clutch Type	Wet multiplate
Transmission Type	Constant mesh
Final Drive	Chain

### Safety

Front Brakes	260mm hydraulic wave disc
Rear Brakes	240mm hydraulic wave disc

All specifications are provisional and subject to change without notice. Please note that the figures provided are results obtained by Honda under standardised testing conditions prescribed by WMTC. Tests are conducted on a rolling road using a standard version of the vehicle with only one rider and no additional optional equipment. Actual fuel consumption may vary depending on how you ride, how you maintain your vehicle, weather, road conditions, tire pressure, installation of accessories, cargo, rider and passenger weight, and other factors.

## 25ym Honda CRF250R

### Frame

Type Aluminium twin tube

### Wheels
