FURTHER DETAILS OF WHICH ARE SET OUT IN THE ATTACHED COMPETITION SCHEDULE

Important Provisions

There are provisions in these rules for this Competition which have important consequences for you and of which you must take note. The details of the rules which contain these provisions and reasons why they are important are set out below. It is very important that you read all of these rules carefully and not just what we say below. Please also read all of these rules. We highlight specific rules which:

- **limit and exclude risk, legal responsibilities and liability.** These are important because they limit and exclude obligations, liabilities and legal responsibilities that we and other persons or entities may otherwise have to you. As a result of these rules, your rights and remedies against us and these other persons and entities are limited and excluded. These rules also limit and exclude your right to recover or make claims for losses, damages, liability or harm you or others may suffer.
- **require you to assume risk, legal responsibility and liability.** These are important because you take on risk, legal responsibility and liability, and may be required to pay additional amounts. You will also be responsible for, and you accept, various risks, damages, harm, and injury which may be suffered by you and others for what is stated in these rules.
- **highlight risk of serious injury and/or death, and serve as your acknowledgement of this.** These may include provisions (such as relating to taking a test-drive and/or using, receiving or participating in a prize which may result in serious injury or death). You acknowledge and accept that such activities carry the risks of serious injury and death, and you accept these risks. This may limit your rights to argue that you were not aware of this.
- **require you and others to indemnify us and related parties.** These may require you and your Partner to indemnify and hold harmless us and other persons and entities from and against all types of claims, loss, damages, injuries and death that that may be suffered as a result of specified events. This places various risks, liabilities, obligations and legal responsibilities on you and you will be responsible and liable for the payment of the value of the claims, loss, damages, injuries, death and harm that that may be suffered or claimed.
