ELEVATE YOUR *style*

The All-New Honda Elevate is a bold and stylish SUV designed to make a lasting impression on the road. Both the Comfort and Elegance models feature all-round LED lighting, with the Elegance grade adding LED fog lights and automatic headlights for extra flair.

From the side, the Elevate impresses with square wheel arches and stylish body lines. The Elegance grade stands out with colour-coded lower door garnish and 17-inch dual-tone alloy wheels, while the Comfort grade comes with 16-inch steel wheels.

Choose from six stylish and unique exterior colours and experience a premium SUV with a spacious interior. This includes a modern aesthetic, high-quality eco-friendly leather seats for an upscale touch and an electrically controlled sunroof that fills the cabin with natural light.

Elevate your driving experience with style and substance in the compact yet spacious Honda Elevate.

ELEVATE
YOUR
space

Indulge in spacious luxury with the Elevate SUV.

Its premium interior features a minimalist aesthetic and a sunroof for a bright, airy feel. With ample room for front and rear passengers, plus the largest luggage capacity in its class at 458 L, the Elevate ensures comfort and convenience.

Elevate your driving experience with unmatched space and style.

ELEVATE YOUR *senses*

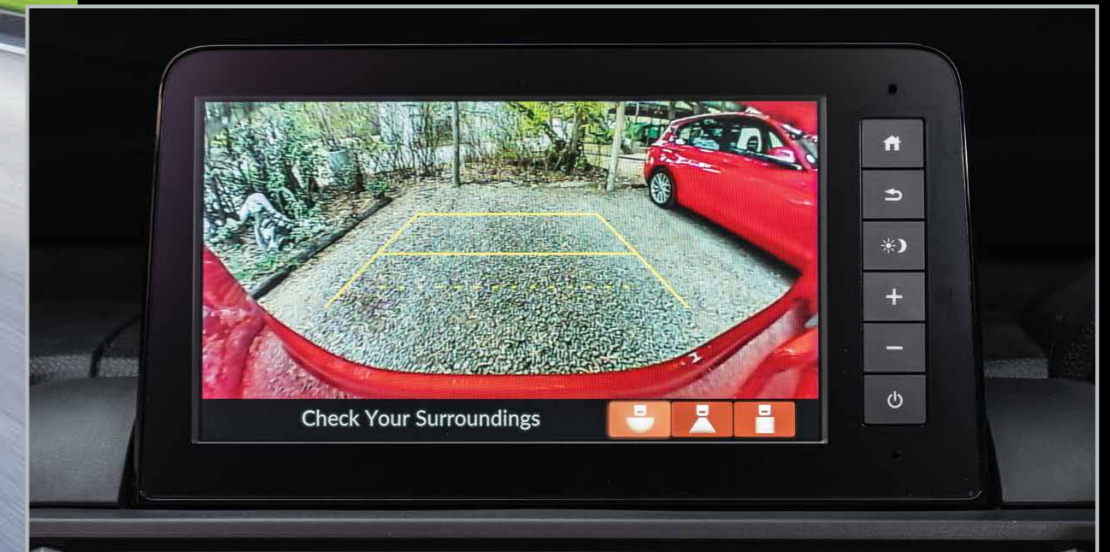

Elevate your driving experience with the feature-packed Elevate model range. Keep cool or warm with automatic air-conditioning and enjoy smart keyless entry, rear parking sensors and a multi-angle reverse parking camera.

Immerse yourself in the vibrant 8-inch touchscreen display audio seamlessly integrated into the instrument panel, offering full smartphone functionality via Apple CarPlay® and Android Auto™. Enjoy Bluetooth® control on the steering wheel and Honda's premium audio system with 4 or 6 speakers. Both models feature a 7-inch TFT multi-information display while the Elegance model adds a wireless smartphone charger.

ELEVATE YOUR *safety*

The new Elevate range is your assurance of safety. Engineered with Honda's ACE™ body structure technology, it prioritises passenger security by evenly distributing crash energy, enhancing crash protection. The Elevate boasts front, side and curtain SRS Airbags ensuring your safety with every drive.

Vehicle equipped with ISOFIX Child Seat Anchors.

Indicated CO₂ and fuel consumption figures quoted are obtained when testing the vehicle in line with the compulsory requirements of SANS 20083 and therefore may not necessarily be achieved under day-to-day driving conditions. Actual fuel consumption figures may be influenced by a range of factors, including but not limited to vehicle maintenance, driving style and behavior. Fuel consumption may be further affected by the environmental factors and conditions under which the vehicle is operated including altitude, road condition and traffic flow. The figures used in this guide should therefore be treated as indicative only.
