- 06 Interior Design
- 08 Safety
- 09 Honda SENSING®
- 10 Seats & Model Colours
- 12 Model Line-up
- 13 Specifications & Features

SHARP, SIMPLE AND SPORTY

The All-New Civic RS design draws inspiration from previous generations, whilst taking a fresh direction on Honda's human-centred approach. A design with a sporty, sophisticated and premium outlook, accentuated by the RS exterior with gloss black painted features including the side mirrors, shark fin antenna, outer door handles, a rear spoiler and 18" matte black alloy wheels.

ADVANCED ENTERTAINMENT MEETS INFOTAINMENT TECHNOLOGY

The Civic RS is equipped with Honda's 9-inch Advanced HMI Display Audio with Android Auto™ Connectivity and wireless Apple CarPlay® which has been designed with simplicity and user efficiency in mind. To advance the musical experience in the Civic RS, Honda has introduced a 12-speaker Bose® Sound System.

Enjoy a 9" Advanced HMI Display Audio with simplified buttons and large easy-to-recognise icons, allowing you to switch between apps quickly. The faster processor ensures lag-free performance and allows for simplified navigation.

A FIRST CLASS CABIN

The red ambient interior lighting, black headlining, sports pedals and finely textured centre console further adds a sporty, sophisticated feel. The dash is designed to reduce visual distractions with metal honeycomb mesh concealing the air vents made with the highest quality materials. Enjoy front and rear USB charging, as well as a wireless charging pad to ensure both the driver and passengers can keep their devices fully charged.

Honda SENSING

The Civic RS also features enhanced Honda SENSING® active safety technology offering a broad range of driver assistance features and driver aids as standard. This new and improved Honda SENSING® system incorporates the newly developed wider-angle, higher definition front camera that can detect a more comprehensive range of road surfaces and traffic characteristics, including enhanced night-time operation.

Collision Mitigation Braking System (CMBS)

With improved night-time operation to detect pedestrians when there is no street lighting. The system also alerts the driver when it detects a cyclist turning into the road. In addition, the system now applies the brakes when the vehicle cuts across or turns into the path of an oncoming vehicle thanks to the new front wide-view camera.

Road Departure Mitigation (RDM)

System assists the driver in not straying from the road. It alerts the driver if it detects that the vehicle is approaching the outer edge of the road, an oncoming vehicle, or drifting into another lane without indicating.

Adaptive Cruise Control (ACC)

Manages the distance to the vehicle in front automatically by continuously adjusting the speed, allowing the Civic RS to follow traffic at highway speeds.

Auto High-Beam (AHB)

Switches High Beam headlights on/off automatically depending on oncoming/preceding vehicles, bicycles and environmental brightness so as not to blind other road users.

Lane Keeping Assist System (LKAS)

Prevents the vehicle from drifting into adjacent lanes by detecting lane markers on the road.

DRIVE WITH PEACE OF MIND

The All-New Civic incorporates a suite of premium active and passive safety technologies as standard. These are designed to make driving both enjoyable and safer.

In addition to Honda's proprietary Advanced Compatibility Engineering™ (ACE) body structure technology, the safety features included in the All-New Civic RS are Honda LaneWatch, six airbags, Vehicle Stability Assist (VSA), Hill Start Assist (HSA), Emergency Stop Signal (ESS), Anti-Lock Braking System (ABS), Electronic Brake Distribution (EBD) and Auto Brake Hold (ABH). Two new safety features for the All-New Civic are the rear seat belt reminder and driver attention monitor.

COLOUR OPTIONS

The colour line-up for the new Civic range includes Platinum White (Pearl), Coffee Cherry Red (Metallic), Meteoroid Grey (Metallic), Lunar Silver (Metallic) and Brilliant Sporty Blue (Metallic).

ENHANCED STYLE AND COMFORT

Exceptional care has been taken throughout, making use of the highest quality materials to elevate the touch and feel of the interior to a premium level. The Civic RS features a new and improved seat design that is incredibly comfortable and supports good posture while driving, featuring 8-way power adjustment and seat heating. The seats are adorned with high-quality leather-suede combination upholstery with a sporty, sophisticated feel.

THE FULL PACKAGE

CIVIC RS

1.5L DOHC VTEC TURBO CVT Transmission

- 18" Matte Black Alloy Wheels
- Smart Keyless Entry
- Heated Seats (Front)
- Leather & Suede Upholstery
- 9" HMI Infotainment
- Built-In Navigation
- 10.2" TFT Multi-Information Display
- LED Headlights with Auto High-Beam
- LaneWatch™
- Honda SENSING® Driver Assist Technology
- 12 Speaker Bose® Sound System
- Electric Sunroof
- Wireless Charging Pad
- 8-Way Electric Seat Adjustment (Driver)
- Front & Rear PDC with Reverse Parking Camera

SPECIFICATIONS & FEATURES

	1.5T RS CVT
ENGINE	
Type	Chain Driven DOHC VTEC Turbo
Displacement (cm³)	1498
Engine Maximum Power (kW @ r/min)	131 / 6000
Engine Maximum Torque (Nm @ r/min)	240 / 1700 - 4500
Compression Ratio	10.3
Bore & Stroke (mm)	73 x 89.5
Fuel Consumption - Combined (l/100km)	6.2
CO ₂ Emissions (g/km)	148
Fuel Type	Unleaded Petrol
Engine Start System	Start / Stop Button
TRANSMISSION & STEERING	
Transmission Type	CVT
Drive Wheels	Front Wheel Drive
Steering - Type	Electric Power Steering
- Tilt / Telescopic Adjustment	•
- Turning Radius (m)	5.4
SUSPENSION & BRAKES	
Suspension Type - Front	McPherson Strut
- Rear	Multi-Link
Electric Parking Brake (EPB)	•
Brakes Type - Front	Disc
- Rear	Disc
WHEELS & TYRES	
Wheel Size - Front & Rear	18" X 8J
Wheel Colour	Matte Black
Tyre Size - Front & Rear	235/40ZR18 95Y
Spare Wheel - Wheel Size	T125/85D16 99M
Alloy Wheels	•
DIMENSIONS & CAPACITIES	
Length Overall (mm)	4677
Width Overall (mm)	1802
Height Overall (mm)	1415
Wheelbase (mm)	2735
Track / Tread (mm) - Front	1537
- Rear	1577
Ground Clearance (mm)	127
Tare Mass (kg)	1348
Max Permissible Weight (MPW) (kg)	1760
Towing Mass (Braked) (kg)	No Towing
Luggage Space (l) - VDA Method	495
Fuel Tank Capacity (l)	47
Max. Seating Capacity (Persons)	5

Service Plan (km)	5-years / 90,000km
Service Intervals (km)	10,000km
AA Roadside Assist	3 Years

HONDA

The Power of Dreams

Indicated CO₂ and fuel consumption figures quoted are obtained when testing the vehicle in line with the compulsory requirements of SANS 20083 and therefore may not necessarily be achieved under day-to-day driving conditions. Actual fuel consumption figures may be influenced by a range of factors, including but not limited to vehicle maintenance, driving style and behaviour. Fuel consumption may be further affected by the environmental factors and conditions under which the vehicle is operated including altitude, road condition and traffic flow. The figures used in this guide should therefore be treated as indicative only.

Honda Motor Southern Africa (Pty) Ltd. reserves the right to change and modify equipment or specifications at any time without prior notice. The models illustrated in this brochure may show specifications for various markets and not specifically for Southern Africa. They may include optional equipment and accessories not fitted as standard. Subject to error. For precise information, please contact your Honda Dealership. © Honda Motor Southern Africa (Pty) Ltd.
