

HONDA
The Power of Dreams

These specification details do not apply to any particular product which is supplied or offered for sale. The manufacturers reserve the right to vary their specifications, including colours, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sale and Warranty given by the Distributor or Dealer, copies of which may be obtained from them on request. This publicity material applies to the UK only Trade Descriptions Act (1968). Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer especially if your model selection is dependent upon one of the features advertised.

Honda sources paper responsibly from manufacturers within the EU.

TYPE R

HONDA

RACING DNA

The new Civic Type R is a car only Honda could make. It reflects our unique thinking, our drive for constant reinvention, re-evaluation and relentless pursuit of better. Our desire to create the perfect sports machine for the road and the track is imprinted into its DNA and drawn into every curve of its body.

It's a car that has been built for the sheer thrill of driving, a car built with soul, a car that speaks to you the way few others can.

FOLLOW YOUR DREAMS **21 -22**

ALWAYS PUSH FOR MORE

Our reputation has been built on our engineering excellence and technical innovation. We love to challenge, to question, always pushing for better, never standing still. The new Civic Type R is the embodiment of everything we have learnt and our ambitions for the future. It has been designed from the ground up, each component created and tested with the purpose of giving you the most exhilarating drive. The result is a car that truly excites, a car that can justifiably be called Type R.

High performance technology requires unique, motorsport inspired features such as brake cooling vents, aerodynamic rear wing, lightweight aluminium vented bonnet and centre mounted triple outlet exhaust.

BORN TO PERFORM

Underneath the sculpted bonnet lies a two litre, four cylinder VTEC TURBO engine which develops a maximum power output of 228kW and 400Nm of torque. It's no surprise to discover this gives the Type R the ability to sprint from 0-100km/h in 5.8 seconds and achieve 272km/h top speed (where conditions allow).

All this power is fed through a smooth and precise six-speed manual gearbox which is optimised by a rev match control system to ensure slick, intuitive gear changes. The final drive is transmitted through an exceptionally responsive helical limited-slip differential to further enhance the performance character.

The ultimate performance test is of course on the track. Not any track, but the iconic Nürburgring, where we pushed the new Type R to the limit. It responded with distinction, slicing almost 7 seconds from its predecessor's time.

DRIVING DYNAMICS

The steering response and cornering ability of the Type R has been greatly enhanced by a new high rigidity body frame and all new suspension system. These work together to deliver razor sharp handling and maximise power transfer to the road.

The front MacPherson strut suspension is set up to reduce torque steer and optimise handling, whilst the new rear independent multi-link suspension system enhances stability under braking and minimises the total roll movement of the car. The suspension system is augmented by an Adaptive Damper System and limited-slip differential which maximise control and stability for a more engaging drive.

We have put the driver at the very heart of our thinking with a selection of driving modes: Comfort, Sport and track focused +R. Each mode sets the throttle response, the adaptive dampers, the steering force and feeling of the gear shift, to give the new Type R three different personalities.

The +R mode unleashes the Type R's track orientated potential. It changes the instrument panel display, traction control settings, throttle response and firms up the steering and adaptive dampers, giving you a more direct driving experience.

UNIQUELY TYPE R

The purposeful exterior of the Type R is matched only by its dramatic cockpit, a place designed to make your heart beat faster, even before you press the engine start button.

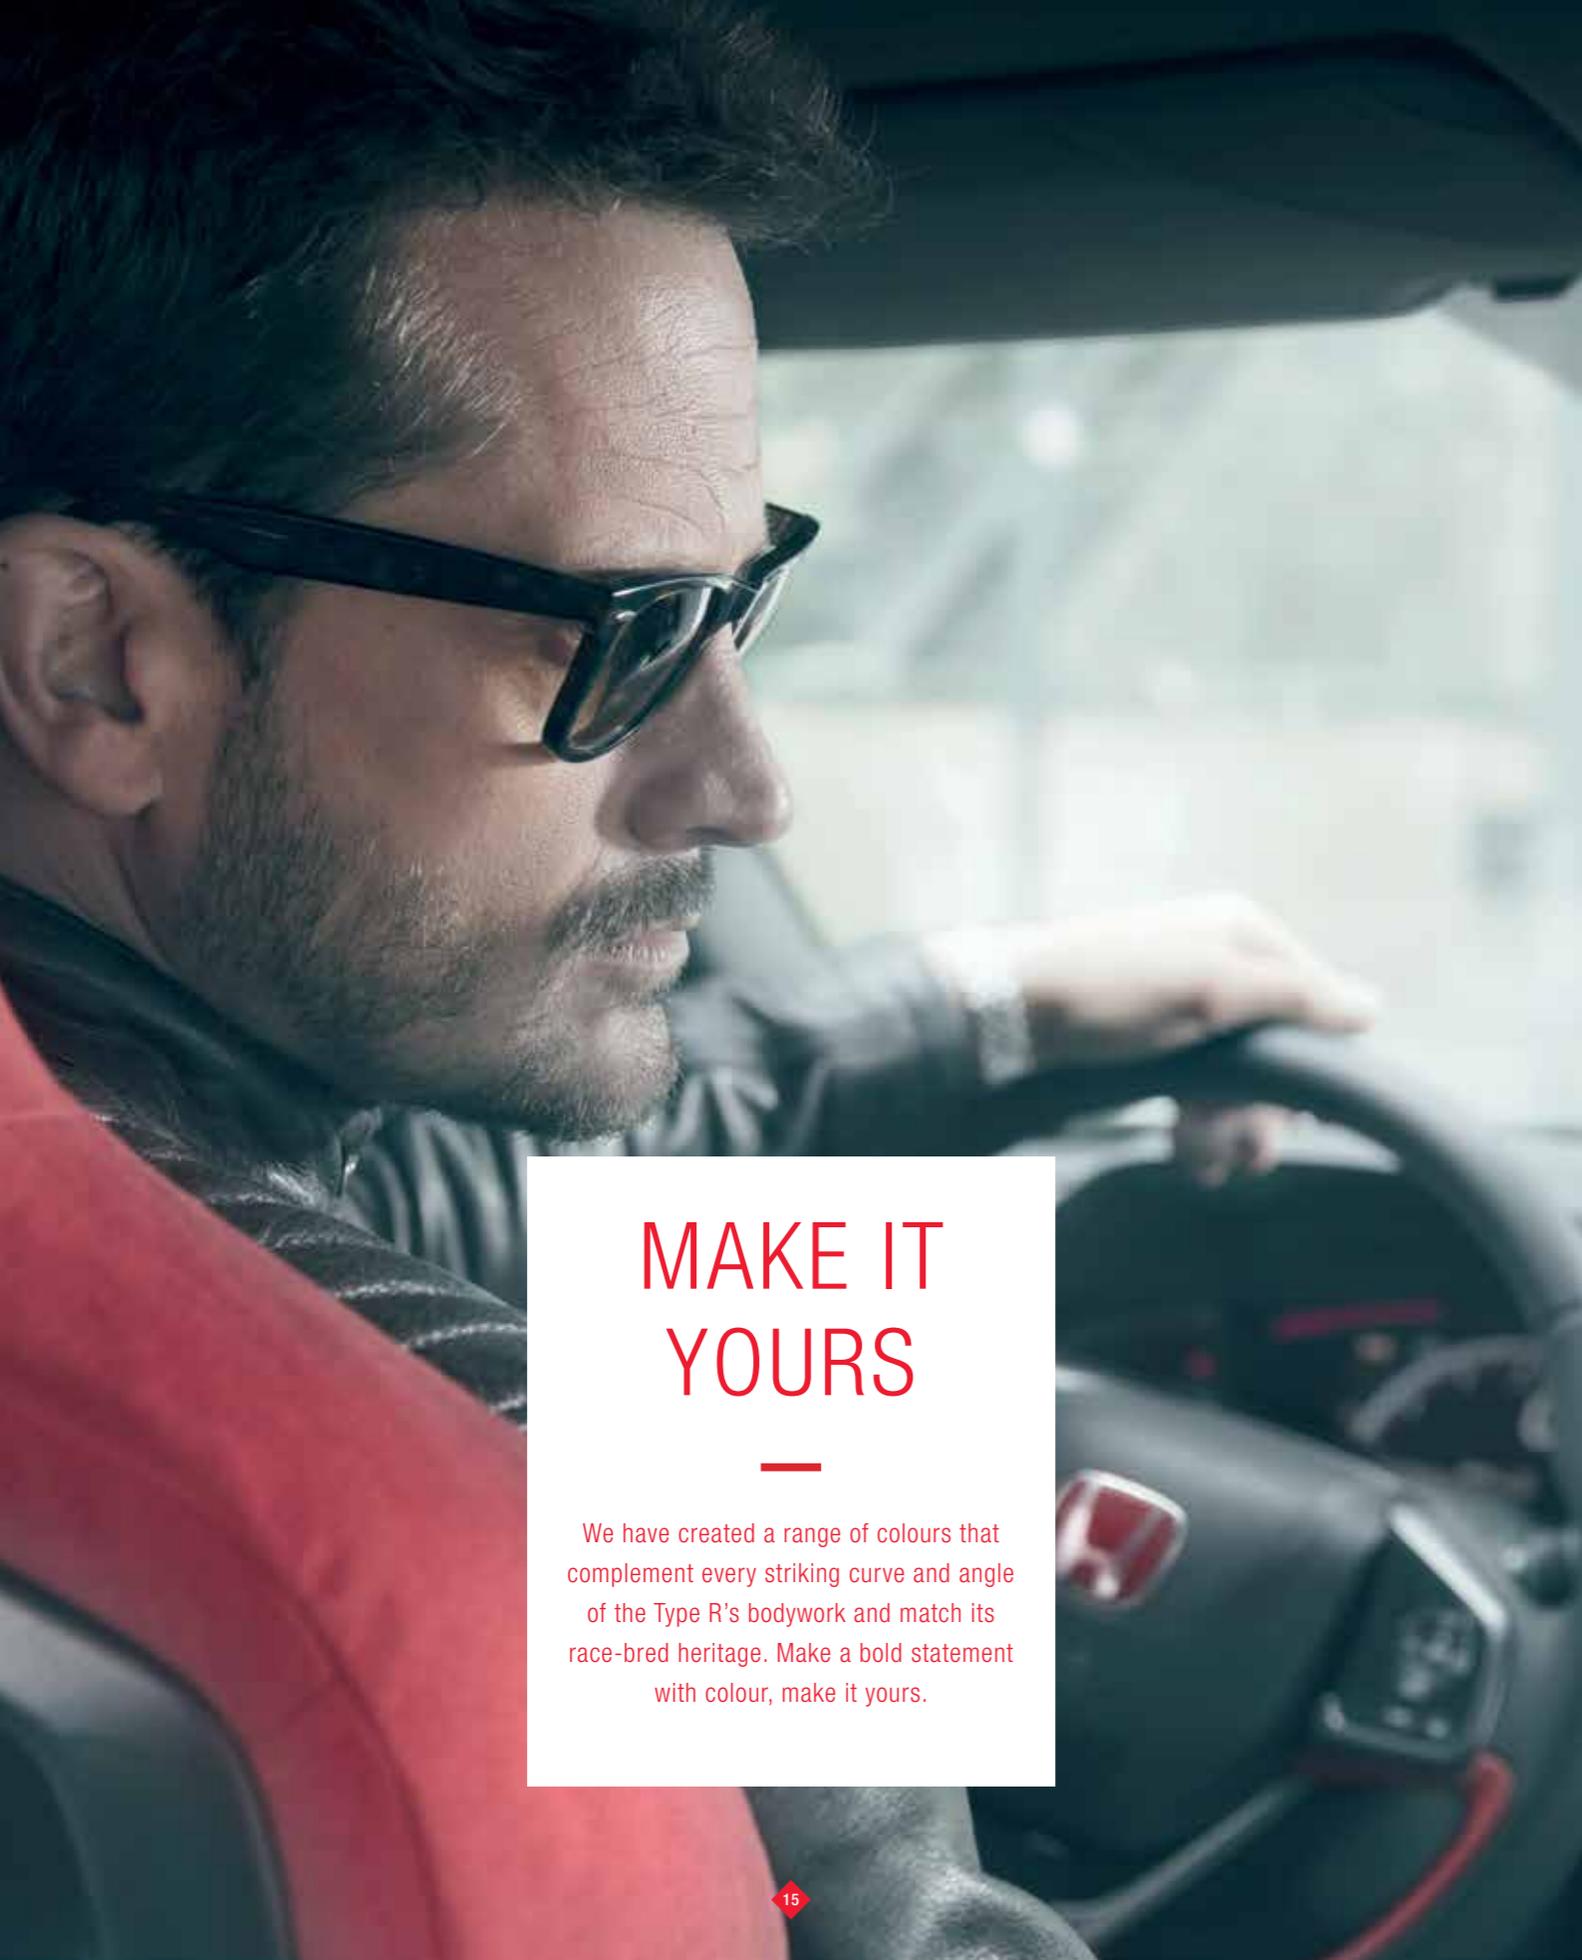

Its motorsport inspired interior has everything you need just where you need it, with clear, easy to read gauges, alloy gear shift knob and a Type R plaque showing your car's individual serial number.

UNCOMPROMISED INSIDE AND OUT

It may have a motorsport feel but it's not lacking in equipment or comfort. From your race-inspired seat, you are surrounded by premium soft touch materials, climate control, cruise control, electronic parking brake and a new Apple CarPlay compatible 7" touch screen audio and infotainment system.

MAKE IT YOURS

We have created a range of colours that complement every striking curve and angle of the Type R's bodywork and match its race-bred heritage. Make a bold statement with colour, make it yours.

CHAMPIONSHIP WHITE

CRYSTAL BLACK PEARL

RALLYE RED

BRILLIANT SPORTY BLUE METALLIC

CARBON EXTERIOR PACK

Enhance the already athletic styling of your Type R with our sporty Carbon Exterior Pack.

CARBON EXTERIOR PACK

This pack is designed to seamlessly fit with the aerodynamic shape of the Type R and features a unique red detail embedded into the carbon.

Pack Includes: Carbon door mirror caps, carbon B-pillar decorations, carbon wing spoiler and carbon rear diffuser decoration.

CARBON INTERIOR PACK

The Carbon Interior Pack highlights the extreme sporty DNA of your Type R by making use of carbon accents around the cockpit.

CARBON INTERIOR PACK

Inspired by the use of carbon on the exterior styling, this pack brings carbon details to the interior of your Type R.

Pack Includes: Carbon interior panels and carbon door sill trims.

SPECIFICATIONS & FEATURES

	CIVIC TYPE R 6MT
ENGINE	
Type	2.0 VTEC TURBO with Earth Dreams Technology
Displacement (cm ³)	1 996
Fuel supply system	Direct Injection PGM-Fi
Power (kW @ r/min)	228 / 6500
Torque (Nm @ r/min)	400 / 2500-4500
Compression ratio	9.8
Bore & stroke (mm)	86.0 x 85.9
CO2 emission (g/km)	200
Recommended Fuel Type	Unleaded petrol (95)
3-Mode Drive System (Comfort/Sport/+R)	•
3-pipe exhaust system	•
PERFORMANCE	
Acceleration (0-100km/h)	5.8
Maximum speed (km/h)	272
Fuel consumption: Combined (l/100km)	8.4
TRANSMISSION	
Manual transmission	6-speed manual with Rev-Match Control
Drive wheels	Front
Lightweight single-mass flywheel	•
SUSPENSION	
Front Axle	Dual axis McPherson strut
Rear Axle	Multi-link
Stabiliser bars (front/rear)	•
Limited Slip Differential	Helical type
Adaptive Damper System	•
STEERING	
Type	Dual-Pinion, Variable-Ratio Electric Power Steering (EPS)
Turning radius at body (m)	6.28
BRAKES	
Front	350mm cross-drilled/ventilated discs (4-piston calliper Brembo)
Rear	305mm solid rear discs
WHEELS AND TYRES	
Rim type	Alloy - Berlina black with red styling line
Wheel Size: Front & Rear	20" X 8.5J
Tyre Size: Front & Rear	245 / 30ZR20
Spare Wheel	Temporary tyre repair kit

	CIVIC TYPE R 6MT
DIMENSIONS AND CAPACITIES	
Length overall (mm)	4557
Width overall (mm)	1877
Height overall (mm)	1434
Wheelbase (mm)	2699
Track / Tread (mm): - Front	1599
- Rear	1593
Tare mass / Kerb mass (kg)	1356
Gross Vehicle Mass (GVM) (kg)	1760
Luggage space (l) - rear seat up (VDA method)	414
- rear seat down (VDA method)	780
Fuel tank capacity (l)	47
Seating capacity	4
EXTERIOR	
Nürburgring-tuned aerodynamics package	•
Shark fin antenna	•
Wing tailgate spoiler	•
Door Handles	Body colour
Door Mirrors	Body colour
COMFORT AND CONVENIENCE	
Seating & Interior styling	
Seat type	Sports type
Seat trim: - Front	Sporty red suede
- Rear	Black fabric
Height adjustable seats - Driver manual	•
Armrest - Front	•
Leather steering wheel	•
Aluminium gear knob	•
Aluminium styled sport pedals	•
Entertainment	
Audio System	7" Touch Screen Display Audio
Apple CarPlay compatible	•
Satellite Navigation	•
USB Connection	•
HDMI Connectivity	•
Bluetooth Hands Free Telephone (HFT)	•
Speakers	x8
12V Accessory Sockets	•

	CIVIC TYPE R 6MT
Interior lighting	
Map lights	•
Ambient Light	Red
Cargo Light	•
Illuminated vanity mirrors - driver & passenger	•
Instruments and controls	
Digital driver interface	•
Engine start system	Start / Stop button
Electric Parking Brake (EPB)	•
Multi-function steering wheel:	Sports type
- Leather	Two-tone red/black
- Trip computer	•
- Audio remote	•
- Cruise control	•
- Hands Free Telephone (HFT)	•
Airconditioning	Dual zone automatic
Electric windows - Front & rear	•
Electric windows - Auto up down	All
Cruise Control with speed limiter	•
Exterior mirrors: - Electric	•
- Heated	•
- Integrated indicators	•
- Power fold	•
Tilt and telescopic steering wheel adjustment	•
SAFETY	
Active Safety	
Anti-lock Braking System (ABS)	•
Electronic Brake-force Distribution (EBD)	•
Emergency Brake Assist (EBA)	•
Vehicle Stability Assist (VSA)	•
Hill Start Assist (HSA)	•
Automatic brake hold	•
Agile Handling Assist	•
Tyre Pressure Monitoring System	•
Rear-view camera	•
High-mounted brake light	•
Rain sensing windscreen wipers	•

	CIVIC TYPE R 6MT
Active Safety	
LED Daytime running lights	•
LED Headlights	•
LED Fog lights	•
Auto headlights	•
Auto headlight cut off timer	•
Auto adjustable headlight height	•
Parking sensors	Front & rear
Passive Safety	
Advanced Compatibility Engineering (ACE) body	•
Front SRS airbags (x2)	•
Side SRS airbags (x2)	•
Side curtain SRS airbags (x2)	•
Passenger airbag cut off switch	•
Front seatbelt pretensioning system	•
ELR 3-point seat belts - front & rear (x2/x2)	•
Seatbelt warning	•
Height adjustable front seatbelt anchors	•
ISOFix child seat anchors - rear	•
SECURITY	
Alarm system	•
Engine immobiliser	•
Remote keyless entry	Smart entry
Walk-away auto door locking	•
Privacy glass - rear	•
Speed sensitive auto door lock	•
Selective unlocking	•
Removable side sliding tonneau cover	•
AFTER SALES	
Warranty	5-Year / 200 000 km
Service plan	5-Year / 90 000 km
Service intervals	10 000 km
AA Roadside Assistance	3-Year

ARE YOU TYPE R?

We created the new Type R with the single minded ambition to give you the best possible driving experience. Engineered to feel just as much at home on the road, as it does on the race track. A car that loves to challenge, to innovate and never follow.

Does that sound like you?
